

How does a Clubdraw lottery work?

Start fundraising now!

Step one:

Ensure your cause is registered with the Gambling Commission or your local authority - we can help you.

Step two:

Sign-up! It's easy to sign up on line or complete our Clubdraw application form and pay the one-off set-up fee of £199.

Step three:

Let's get your lottery up and running!

We'll send you a free personalised starter pack, containing promotional leaflets branded with your name/logo to help you launch your lottery. We'll also create your own personalised page on the Clubdraw Lottery website, where anyone can sign-up to start playing.

Step four:

Spread the word and raise funds!

With your Clubdraw lottery up and running, you're free to get out there and start recruiting players. Remember, for every player who joins, £1 of every £2 played will go directly to your cause. And every time the jackpot is won, £25,000 goes to the winner and £25,000 goes to your cause!

How our unique £50,000 shared jackpot works:

Every time one of your supporters wins the £25,000 jackpot prize, Clubdraw will also donate £25,000 to your cause.
